## Thursday, August 27<sup>th</sup>, 2026

We had a lighter run this week. Packer cows and bulls sold \$6.00-\$8.00 lower. Calves and yearlings sold \$10.00-\$15.00 lower. There has been lots of negative news towards the beef industry and has moved the board quite a bit lower. We look for a similar run next week.

We had a nice run with market being steady to last week with good demand. Expecting 400-500 next week. We need another rain and cooler weather to receive more head count.
